An Important Sale of Blankets and Comforts

Starts To-Morrow---Most Important Because It Protects Our Customers Against a Rise in Prices Which is Bound to Come on Account of the European War

We placed our orders last spring, before the sharp increase in prices, and shall give our customers the advantages of these timely purchases as long as the supply lasts. Our advice, however, is to purchase a full season's supply now, as, without a doubt, we will be unable to get any more at anything like these figures.
